**Power consumption kWh/100km combined 190 – 206 CO2 emissions combined g/km 50 – 59 CO2 emissions while driving. Range figures are obtained from laboratory testing in accordance with EU regulations and are intended for comparison between vehicle types. They do not refer to a particular individual vehicle and do not constitute part of the offer. The figures may not reflect real driving results. Optional equipment, maintenance, driving behaviour and road conditions and weather conditions may affect the actual results. Figures were determined under the new Worldwide Harmonised Light vehicles Test Procedure (WLTP). Figures provided are pending homologation.
YOUR DRIVE,
YOUR CHOICE

Change your driving mood at the flick of a switch to get the most out of your Nissan LEAF.

Exciting Drive. 150PS of power packed performance with instant torque from LEAF’s 40kWh battery. While LEAF e+ adds even more performance with 217PS and 340Nm of torque.

Urban Drive. Switch to eco mode for up to 166 miles* of long lasting fun. Up to 239 miles* for LEAF e+.

Intelligent Drive. Thanks to e-pedal, one pedal driving makes life simple. Traffic jam ahead? ProPILOT® advanced driving assistance makes every trip a journey worth doing. Available on both LEAF and LEAF e+.

*Power consumption (kWh/100km) combined 140 - 230g CO2 emission combined (g/km) © Zero CO2 emissions while driving. Range figures are obtained from laboratories testing in accordance with ECO legislation and are intended for comparison between the different types of vehicles. The information does not refer to a particular individual vehicle and does not constitute part of an offer. The figures may not reflect real driving results which may differ depending on a wide range of factors such as, for example, type of road, driving conditions, speed, splits of country and city driving, as well as accessories fitted. While maximum range may be achieved on public roads, the use of ProPILOT may lead to longer charging times. Actual range achieved will vary due to conditions and driving style. Read the Leaf Owners Manual for further information.
